

Why Memorialize?

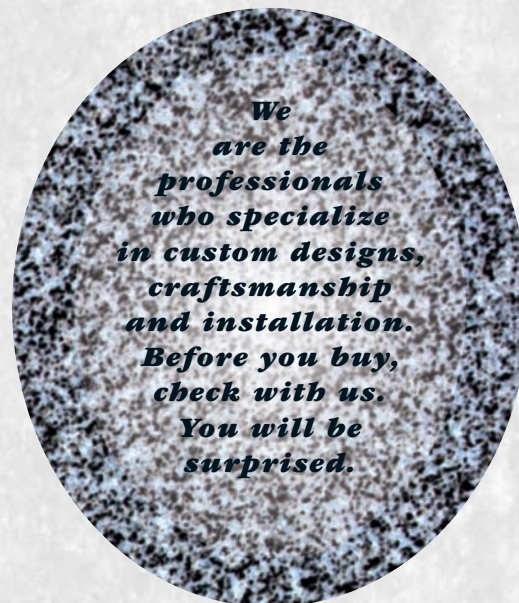

It is a means of closure, through the final stages of the grieving process, by providing a way to express deeply felt emotion and to respect the deceased with gratitude. Our memorials provide a permanent place for those left behind to visit and connect emotionally and spiritually with their loss. It provides a geneological bridge for future generations to honor and pay tribute to a loved one. *There is nothing finer or more worthy to express your devotion.*

We understand how difficult selecting a monument can be.

There is so much to consider: color, size, design, inscription, price. As the tri-state's **oldest and largest** business of its kind, Sears Monument Company has the knowledge and experience to help. See exactly what you are purchasing - don't select only from pictures. Visit our showroom and look; we have over 2000 memorials in stock. Our **FREE** design service assures you of exact scale and placement of lettering.

We believe memorials should be personalized, giving real meaning and an honorable tribute to a loved one.

We can design a special memorial for you or your loved one. Let us help you design your custom memorial by using your ideas to determine the color, size, shape and lettering style. For example; Hunting, Fishing, Farming, Sports Scenes and Emblems of Special Organizations.

We can duplicate any memorial you have seen in any cemetery.
